

## ROSE HALL VILLAS AT HALF MOON JAMAICA - OVERVIEW

Half Moon Jamaica has been aptly named as it is located on a crescent shaped stretch of private beach in Montego Bay. This luxury resort offers a selection 31 lavish Royal Villas ranging from 4-7 bedrooms.

Enjoying all the facilities of a hotel, the Rose Hall Villas at Half Moon are the perfect choice for families, friends and groups looking for privacy and seclusion. The villas are located at the eastern side of the resort, just beyond Sunrise Beach, and are dotted amongst lush tropical landscaped gardens. All are rendered in white, yet the architectural style of each villa differs.

Some of the villas enjoy the serenity of a garden location, whilst some boast a location directly facing the ocean with sweeping lawns that lead to the waters edge. Each villa is staffed with a butler, cook and housekeeper. Other features of the villas include a private swimming pool, 2 golf carts, spacious living area, cable TV, radio and DVD player, wireless internet in living room and bathrobes in each bedroom.

The villa prices are based on self-catering basis and clients can enjoy authentic local and international dishes prepared by their very own cook.

**Please note:** Meal Plans and Room Service is not available in the villas.
